

For almost 30 years, LEAP has been preparing students for success academically and socially. We develop unique, research-based language and literacy programs for students who need them the most: Kids in underserved communities. LEAP has trained thousands of teachers and parents to partner effectively in students' academic development. As a result, scholars are equipped with language-based skills that empower them to excel in school, at work, and in life. The future of LEAP and our students depend upon the continued generous support of friends like you. Thank you for your contribution.

*Many companies offer sponsor matching gift programs. Ask your employer if your gift to LEAP may qualify to help our students even more. For more information, please call LEAP at (312) 578-1255.*
